[Bank governance, regulation and risk taking - ScienceDirect](#)

1. Introduction
In this paper, we analyze risk taking by banks, their ownership structures, and national bank regulations. We focus on the potential conflicts between bank managers and owners over risk, and assess whether bank risk taking varies with the comparative power of shareholders within the corporate governance structure of each bank.

**Bank Governance, Regulation, and Risk Taking -
nber.org**

We focus on conflicts between bank managers and owners over risk, and show that bank risk taking varies positively with the comparative power of shareholders within the corporate governance structure of each bank. Moreover, we show that the relation between bank risk and capital regulations, deposit insurance policies, and restrictions on bank activities depends critically on each bank's
