Carrie Underwood - Wikipedia

Carrie Marie Underwood (born March 10, 1983) is an American singer, songwriter, and actress. She rose to fame as the winner of the fourth season of American Idol, in 2005.

Signs of Hubris : The Shaping of Wind Technology

Styles in ...

In wind technology, the superiority of bigger and more technically efficient designs remained a largely undisputed article of faith, even seeming to evolve from an engineering strategy to an engineering paradigm. This ideological predisposition coincided fatally with an overconfidence in the potency of big science and high technology.
