[Toxic Parents: Overcoming Their Hurtful Legacy and ...](#)

1) You did not have toxic parents, nor any experience of toxic parents by association 2) You are not open to what the book contains. For example, while I am open to information and aim to improve, I know my brother would either scoff at the book, or agree with the contents but say the book would help others (and not realize the impact our parents had on him).

[Toxic Parents: Overcoming Their Hurtful Legacy and ...](#)

Stronger for the Breaks How to Heal from a Toxic Parent

The scarring and hurt that comes from a toxic parent probably isn't something we talk about enough. None of us are perfect, including our parents, but there is a point at which imperfect becomes destructive, taking away from children the love, warmth and nurturing they deserve and replacing it with something awful.

13 Signs Of A Toxic Parent That Many People Don't Realize

Toxic parents can twist any situation to suit their needs, and this leaves children with two choices: accept that their parent is wrong or internalize all of the blame. In most cases, children, even those who are adults now, choose the latter option.

9 Signs You Have A Toxic Parent - Bustle

In a non-toxic situation, the feelings of all parties are rated and taken care of equally. One kind of toxicity, however, means that the feelings of the toxic person always dominate any situation.
