[Irish migration to Great Britain - Wikipedia](#)

Irish migration to Great Britain has occurred from the earliest recorded history to the present. There has been a continuous movement of people between the islands of Ireland and Great Britain due to their proximity. This tide has ebbed and flowed in response to politics, economics and social conditions of both places. Ireland was a feudal Lordship of the Kings of England between 1171 and 1541 [british and irish lions | eBay](#)
