In the context of Brexit , the idea of a return to the 1950s suggests a nostalgic yearning for a lost British identity defined by monarchy, empire and social deference; and a rejection of the liberalisation of the 1960s. However, the two most recent additions to Bloomsbury's Decades Series covering the modern British fiction of the 1950s and 1960s show rather more

Description : British Fiction in the 1930s studies the literary climate of the British 1930s through a critical treatment of some of its influential and socially representative fiction. The works depict, in various ways, a culture under the stress of seemingly insoluble economic and intensifying international dilemmas, a culture that seems betrayed by the promise of its past and the paralysis
