funny why make a family history book if it only goes back 4 gener. come on I want a book that has everybody and everything in it all the way back and have a book for mothers side and fathers side some of my ancestors go back to eleven hundreds im not going to pay you for a book who only show 4 gener. that not family history thats a joke

[Creating a Family History Book - Genealogy.com](#)  
A family history book can be a few pages or hundreds. It can be duplicated from your masters at a local copy store and put together with an inexpensive comb binding or it can be printed by a printer, bound in hard covers and sold in book stores. Even if you create the book just for yourself, it is a good exercise in organizing your material.
