What is deregulation? Published on January 18, 2017 in
Electricity Education. Efficiency, renewable energy, and
deregulation are among the most pressing concerns for
utility customers across the country. Although energy
efficiency and using renewable electricity sources are
well-understood concepts, electricity deregulation is still
cloaked in a great deal of mystery despite having its

Electricity Deregulation | OpenSecrets

Electric utilities continue to favor Republicans with their
campaign contributions by more than 2 to 1. THE ISSUE
IN CONGRESS Electricity deregulation has been the
focus of pointed debate in Congress as far back as 1996,
but the absence of consensus among members of Congress
and the various groups lobbying them has resulted in little
progress. The debate during 1999 and 2000 focused on
