Online shopping from a great selection at Baby Store, Home - DiaperFreeBaby

This practice is followed worldwide and is known as Elimination Communication, Natural Infant Hygiene, and Infant Potty Training. The process involves observing one's baby's signs and signals, providing cue sounds and elimination-place associations, and can be done with or without any diaper use.

[How To Go Diaper Free With Your Baby - Raised Good](#)

Disposable Diapers when practicing EC with our baby we used disposable diapers as a back up, at night time (although we did do night time EC) and when we were on long journeys. My favourite are Seventh Generation as they are free from many of the nasty chemicals used in disposable diapers.

[The Diaper-Free Baby: The Natural Toilet Training Alternative](#)

The Diaper Free Baby was a really great read, and definitely sold me on the idea of trying this method when I eventually have children. The idea of training your child to use diapers, only to have to untrain them when they reach 2ish has never made sense to me. And now finally I've been presented with an alternative.
