Dilemmas of National Security and Cooperation | SpringerLink

India and Pakistan have existed for 45 years as independent and sovereign states in South Asia. In a seminar at Villanova University in November (1990), a collective effort was made by American, Soviet, Indian and Pakistani scholars to assess the security concerns of these two states, their

Download [PDF] India S National Security Dilemma Free ...

The book presents a discourse on national identity in India, the events from 1990-2003, and how these have influenced the engagement of India with others, especially with Pakistan and China. In this process, it reveals several surprising insights, along with the challenges that confront the country.

National Security Policy in India and Pakistan South ...

National security is a concept which ensures the safety and continuous protection of people and the state. It seeks to guarantee that beliefs, values, and unity of the state are protected, while government institutions function for the welfare of the people (in the case of a democracy, at least).
