It uses the integration of Portugal and Spain into the European Union as an oppor- tunity to draw some lessons that may be applicable to East European countries as they pursue their own processes of integration into the European Union.

THE IBERIAN PENINSULA, TERRITORIAL HOMOGENEITY AND EUROPE ...

The new reality of European integration has extinguished physical borders between the countries. Alongside to the removal of borders, Spain has become the second most important destination for Portuguese emigration, right after the United Kingdom. The importance of Spanish companies in the banking sector, insurance, real estate and agriculture has gained tremendous relevance. There has also
