Finding Hope by Colleen Nelson - Goodreads Share book ...

In Finding Hope, Colleen Nelson tells the story of two siblings: Hope and Eric. The book is told through both of their points of view. This really worked for me. I liked how we learn about each e. The book is told through both of their points of view.

Finding Hope | Rediscovering Life after Tragedy

Finding Hope is raw and real life. It is a true life story of love and loss and regaining hope through it all. Navigating through such suffering and being willing to share with others is a great gift and James has done an excellent job.

Finding Hope | Dundurn Press

Hope leaves her small town for a fresh start, but her plans are derailed by an online romance and the appearance of her brother. Hope lives in a small town with nothing to do and nowhere to go. With a drug addict for a brother, she focuses on the only thing that keeps her sane, writing poetry.

Finding Hope (Finding, #5) by Sloane Kennedy - Goodreads

Finding Hope is the fifth book in the Finding series but reads just fine as a standalone. Judging by the character connection graph included at the start of the novel and the many couples mentioned or playing secondary roles, there is a considerable overlap of this author's series. Finding Hope happens to be the first book I've read of hers, but I found the intersecting characters an
