premise that marriage is better for children and adults than are single parenthood and cohabitation. Many people see government involvement in family policy as a response. Fragile families and the marriage agenda (Book, 2006 ...

In addition to addressing the proposition that government involvement can raise marriage rates, this book contains legal and theoretical perspectives on the marriage agenda, addresses some of the causes and consequences of offspring well-being in fragile families, and considers the importance of fathers.”—Jacket.

[Fragile Families and the Marriage Agenda](#)

"Fragile Families and the Marriage Agenda," provides the cornerstone of this volume. McLanahan's paper articulates many of the issues surround- ing the current controversy over the state of marriage. Eight other original papers on a variety of topics related to fragile families provide the balance of the volume. The book begins with McLanahan's address. She observes that govern- mental
