Smidgens, Snippets & Bits: Gift From The Sea-A Book Review

Gift From The Sea-A Book Review I don't often read a book more than once. This is an exception. The first time I read Gift From the Sea by Anne Morrow Lindbergh was right after my youngest son left home. That would be about 20 plus years ago. I was entering into the 'empty-nest' life with my husband. I was searching for a new way to define my life. This book came highly recommended by a friend.

Gift from the Sea is a pretty quick read, but well worth the price of admission. The target audience was clearly women, but it's a book for men as well, and what really stands out is how prescient this book was, and how relevant the book remains over 60 years after it was written. A big thumbs up for an interesting and quick read.
