Women and the First World War - The National Archives

Women and the First World War; Many historians argue that the First World War was a watershed for women in Britain. In reality, the development of women's political and economic rights between 1914 and 1918 was more complicated than such arguments allow.

Top 10 Greatest Women In History - Listverse

Following on from our lists of evil women and men in history, we are introducing our first list of great people. The women I have selected have been great leaders, warriors, visionaries, or humanitarians.
