[How to Write a Business Plan for a Small Business: 14 Steps](#)

To write a business plan for a small business, start by writing an executive summary that briefly outlines your business. Follow that with a company description that explains your business in more detail. You'll also want to include sections on your target customers, how your business will be structured, and what products or services you will offer. Finally, conclude your business plan with a [Small Business Banking | TD Canada Trust](#)
