[Illicitly Obtained Evidence at the International Criminal ...](#)

This work deals with the exclusion of illicitly obtained evidence at the International Criminal Court. At the level of domestic law, the so-called exclusionary rule has always been a very prominent topic. The reason for this is that the way a court of law deals with tainted evidence pertains to a key aspect of procedural fairness. It concerns the balancing of the right to a fair trial with the interest of society in effective law enforcement. At the international level, however, the subject
