Laws of Fear: Beyond the Precautionary Principle - Cass R ...

This is a book about the complex relationship between fear, danger, and the law. Cass Sunstein looks afresh at the precautionary principle, and argues that in its strongest forms the precautionary principle is both incoherent and potentially paralysing, as risks exist on all sides of social situations, and that there is no 'general

**The Laws of Fear by Cass R. Sunstein :: SSRN**

Cognitive and social psychologists have uncovered a number of features of ordinary thinking about risk. Giving particular attention to the work of Paul Slovic, this review-essay explores how an understanding of human cognition bears on law and public policy. The basic conclusion is that people make
