[Monster Nation \(Monster Island, #2\) by David Wellington](#)

Monster Nation: A Zombie Novel (2014) by David Wellington: Monster Nation is the second volume in Wellington's three-volume Zombie apocalypse series. Although it is a sequel to Monster Island, it is written as a prequel to Zombie Island. It leads the reader from the beginning of the Zombie infection to a complete Zombie contagion in the United States. I expected to experience plenty of

>every monster in a happy loving relationship is a monster that isn't competing anymore. Women actually see men in relationships as more attractive. The increase in perceived attractiveness when a man is in the presence of an attractive woman is also twice as high as increase from simpler cues (e.g. the man wearing a wedding ring).

Monster Nation (2006) About book: David Wellington's first zombie apocalypse novel, Monster Island was startling in its originality and quality of writing. Wellington has a creative writing MFA and all that cute stuff, and the dude can twirl a sentence. His taut, powerful prose and lucid pacing suggests he's probably capable of writing any kind of prize-winning literary fiction he wants, but
