Hence this issue on the new politics of European integration. But there is continuity between the two numbers of the journal. Our subscribers will not fail to notice that many of the articles which appeared in 1966 on basic historical and political aspects of European integration have not been superseded. Indeed the historical articles from the previous issue, together with the political articles of the present issue, supplemented by two historical surveys of British, and British Labour

The European Union is a unique, complex, and ever-changing political entity which continues to shape both international politics and the politics of its individual member states. Politics in the European Union provides a clear analysis of the theory, history, policies, and institutions of the EU, giving students a well-rounded introduction to the subject. With an updated history section, this
