Death Rates from Heroin Use
Heroin use in the United States is a growing problem. In 2014, it was found that:
What does it mean to be well? Ask an opiate addict.
However, to those suffering through opiate addiction, the idea of what it means to be well is completely different, and provides a rather harsh insight into how hard it is to fight addiction when everyone around you just believes that your addiction is a moral shortcoming rather than a medical illness. I recently took care of a patient in the ER who is a recovered opiate addict, and he
