### Perl 6 (English) - YouTube

All good/useful Perl 6 videos on youtube (for an inclusive definition of good/useful). I've written a TL;DR summary for each video based on watching it more or less in its entirety at least once.

Ask HN: Why hasn't Perl 6 taken off yet? | Hacker News

I love perl 5 and have been using perl since 1997. I haven't touched perl 6 yet simply because the whole mess is still too confusing. It's not obvious what I should download and

the frequent release announcements just confuse the issue further.

#### **A Review of Perl 6 Evan Miller**

Perl 6 reminds me of my uncle's Ph.D. dissertation. For the first five years, we would ask (around Christmas) when he'd be finished; putting less and less stock in his answers as the years wore on, and lacking any evidence that the dissertation, in any form, actually existed, we made the completion date a kind of running joke, a familial

#### **Perl 6 - Wikipedia**

Perl 6 (also known as Raku) is a member of the Perl family of programming languages. While historically several interpreter and compiler implementations were being written, today only the Rakudo Perl 6 implementation is in active development.

#### **Actinomyces: A rare soft tissue infection - ResearchGate**

Abstract. Actinomyces is a chronic and suppurative infection caused by an endogenous Gram-positive bacterium. The usual sites of infection are the head and neck, thorax, and
