[What is purchasing? definition and meaning ...](#)

The activity of acquiring goods or services to accomplish the goals of an organization. The major objectives of purchasing are to (1) maintain the quality and value of a company's products, (2) minimize cash tied-up in inventory, (3) maintain the flow of inputs to maintain the flow of outputs, and (4) strengthen the organization's competitive

[Purchasing - Wikipedia](#)

Purchasing refers to a business or organization attempting to acquire goods or services to accomplish its goals.

Although there are several organizations that attempt to set standards in the purchasing process, processes can vary greatly between organizations.

[Purchasing - definition of purchasing by The Free Dictionary](#)

A mania for purchasing spread itself throughout the several bands--munitions for war, for hunting, for gallantry, were seized upon with equal avidity--rifles, hunting knives, traps, scarlet cloth, red blankets, garish beads, and glittering trinkets, were bought at any price, and scores run up without any thought how they were ever to be rubbed off.

[Alberta Purchasing Connection](#)

The Alberta Purchasing Connection (APC) is an easy to use tool that lets public and private sector users manage, advertise, distribute, and download public purchasing opportunities for goods, services, and construction in Alberta.
