The New Transnational Activism shows how even the most prosaic activities -- like immigrants bringing remittances back to their families -- can assume broader political meanings when they provide ordinary people with the experience of crossing transnational space.

[The New Transnational Activism - Higher School of Economics](#)

transnational polity, at least a trend toward new forms and new levels of transnational contention. It was to reconcile my growing sense that new actors are appearing with my belief that states remain the fundamental framework for contentious politics that I decided to write this book. It is dedicated to the task of identifying those actors, trying to understand their relationships

[The New Transnational Activism - Google Books](#)

The New Transnational Activism, first published in 2005, shows how even the most prosaic activities can assume broader political meanings when they provide ordinary people with the experience of crossing transnational space. This means that we cannot be satisfied with defining transnational activists through the ways they think. The defining
