The Actors in Europe's Foreign Policy is a timely survey of the interplay between the European Union's Common Foreign and Security Policy and the long-established national foreign policies of the Union's Member-States. The book contains a chapter on each country in the Union as well as a chapter on the United States in its role as the 'thirteenth seat at the table'. There is also a chapter on [The Search for a Common European Foreign and Security ...](#)

When Kissinger lamented, 'When I want to call Europe, I cannot find a phone number', the implication was clear. Since then, the momentum of the EU towards a common foreign and security policy has increased. Yet, the viability of this institutionalization effort is questionable. This book advances a new perspective on this paradox.
