Hi James, We have got the same problem, after searching Metalink I found that this is a known bug.

[Tree structure - Wikipedia](#)

A tree structure or tree diagram is a way of representing the hierarchical nature of a structure in a graphical form. It is named a "tree structure" because the classic representation resembles a tree , even though the chart is generally upside down compared to an actual tree , with the "root" at the top and the "leaves" at the bottom.
