[Europe in the Twentieth Century: Robert Paxton, Julie](#)

Paxton is able to weave stories and ideas together, and produce an excellent history of a fascinating century. It is not light reading by any means, and is not intended to be so, but it provides an excellent source of background information to the most horrific and terrible century in Europe's history.

20th Century Women (2016) - IMDb

Yes, I did that too. '20th Century Women', which is essentially about a mother raising a son, has nice scenes. I really liked the explanation about punk rock music to the 55 year old mother: she complains about the lack of beauty, but exactly that is the strength of it. There are many such scenes, with small but meaningful events, telling a lot about how life was in the seventies. But the [Twentieth Century \(1934\) - IMDb](#)

Down but not quite out, a megalomaniacal theatrical producer schemes to get his former star & lover back under contract during a wild ride on the TWENTIETH CENTURY Limited racing from Chicago to New York City.
