[Welfare, Poverty and Development in Latin America ...](#)

The book analyzes the social consequences of recent development strategies in Latin America. The volume introduces readers to official strategies, private initiatives and individual responses to issues of welfare and poverty during the twentieth century. These issues are addressed from several disciplines. A substantial introduction is followed by a wide range of case-studies, including Pinochet's Chile, the Haiti of the Duvaliers and Nicaragua under the somocistas and sandinistas, as well

[Welfare, poverty and development in Latin America.](#)

This book considers the social consequences of recent patterns of development in Latin America. The introduction identifies the main debates about interpretation and periodization of issues of welfare and poverty in the continent during the 20th Century. Official strategies, private initiatives and individual responses to enduring inequity are

Prosperity and Poverty in Latin America and the Caribbean ...

The Latin America and Caribbean region (LAC) has long been considered the most unequal region in the world. Regardless of whether this stems from a legacy of colonisation or is a 20th century phenomenon (Williamson

2009), the fact remains that the region has some of the highest levels of inequality in the world.
