## Why Nations Fail - Wikipedia

Why Nations Fail: The Origins of Power, Prosperity, and Poverty, first published in 2012, is a non-fiction book by Turkish-American economist Daron Acemoglu from the Massachusetts Institute of Technology and British political scientist James A. Robinson from the University of Chicago. The book applies insights from institutional economics, development economics and economic history to understand why nations develop differently, with some succeeding in the accumulation of power and prosperity and

[Why Nations Fail: The Origins of Power, Prosperity, and ...](#)

Why Nations Fail by Daron Acemoglu raises a convincing theory to answer the question: Why are some nations wealthy and some nations poor. A few years ago, I read Jarrad Diamond's Guns, Germs and Steel which tries to answer the same question. Each book arrives at two very different answers to the question.

...

reason why nations fail is that their states fail. This, in turn, is a consequence of decades of rule under extractive institutions (emphasis added). According to the authors, inclusive institutions, on the other hand, provide equal opportunity to all citizens of the country allowing for a broad and sustained prosperity.
