The universality of human rights, and especially women's rights, is often challenged by cultural relativists. Relativist arguments, especially when combined with charges of cultural imperialism, pose a major dilemma for the international human rights community. How can peoples' cultures and their right to self-determination be recognized when several aspects of those very cultures

[Women's rights - Wikipedia](#)

"The human rights of women and of the girl-child are an inalienable, integral and indivisible part of universal human rights. The full and equal participation of women in political, civil, economic, social and cultural life, at the national, regional and international levels, and the eradication of all forms of discrimination on grounds of sex are priority objectives of the international Women's Human Rights | Amnesty International Canada

Women's Human Rights Promoting gender equality
Amnesty International's goal is a world where people of all genders have their rights equally respected and protected.
When did women's rights stop being human rights? - UnHerd

Human rights organisations have stopped listening to those they ought to represent and have instead become lumbering corporate beasts chasing an ever narrowing definition of inclusive one that excludes feminist women.
Women's Rights are Human Rights by Melissa Johnson on Prezi

Women's Rights are Human Rights Introduction On September 5th 1995, First Lady, Hillary Rodham Clinton, delivered her famous speech at the United Nations Fourth World Conference on Women. The speech is intended for not only women to take a stand on gender equality, but for men and government officials to realize they need to make a change in this world. Hilary Clinton wants to spread
Stolen Sisters: A human rights response to discrimination ...

Violence against women, and certainly violence against Indigenous women, is rarely understood as a human rights issue. To the extent that governments, media and the general public do consider concerns about violence against women, it is more frequent for it to be described as a criminal concern or a

[Women's Rights Global Issues](#)

A report from Human Rights Watch also describes how women's rights have not been observed in some countries as much as expected; in some places claims are made that women's rights will be respected more, yet policies are sometimes not changed enough or at all thus still undermining the rights of women.
